Grace, We don't lock up conference room A or B unless an agency asks us to.

The Army has conference room B reserved from 1:30 - 4 PM today and tomorrow from 8:30 - 10:30 AM. You should be able to go down and look at it. Might want to wait until they are done using it before setting up to avoid rework.

FYI, we have a complaint that our overhead projector in conference room B doesn't work, but haven't been able to troubleshoot or repair. If you don't have a projector, we have a spare in our office that you can check out.

FYI, I'm in Vancouver today, but will be there tomorrow. Jim Carter should be in the building, but has a contractor in the building that he needs to escort.

Thank you! I'll go down there after 4:00 and check it out. And no need for a projector for us, but thanks for the heads up!

No problem. I work for the most part at EGWW now but work at Gus Solomon to do badges Tuesdays and Thursdays between 9:00-11:00. I just need to know what day they will be there. My hours at EGWW are from 6:30-4:00 Monday thru Thursday and Fridays from 7:00-11:00. Just give me a call so I know to come out and meet them at EGWW if they want to pick them up there or at Gus Solomon. Phone # (b) (6)

No problem. I work for the most part at EGWW now but work at Gus Solomon to do badges Tuesdays and Thursdays between 9:00-11:00. I just need to know what day they will be there. My hours at EGWW are from 6:30-4:00 Monday thru Thursday and Fridays from 7:00-11:00. Just give me a call so I know to come out and meet them at EGWW if they want to pick them up there or at Gus Solomon.
